

Meeting of the Amenities Committee held on April 1st 2008 in the Parish Room

Present: Cllrs. Malzer, Page and Radford – Chairman and Mr J. Crick

In attendance: The Clerk

1. Apologies – Cllr. Apps

2. Declarations of Interest
There were none

3. Christmas lights on The Pound

After discussion it was agreed to investigate the possibility of light being placed on an existing tree/trees on The Pound. A decision will be made before the May meeting of the council.

4. Letts Green pond

Mr Walker has agreed to supply a pipe and possibly a trap at the road end to enable road run-off into the pond. Cllr. Radford will pursue this.

5. Children's playground

It was agreed that quotations should be sought for the painting of some of the equipment in the children's playground and the goal posts. Cllr Malzer undertook to repair some patches between these goalposts. It was agreed that the posts should be removed immediately before the carnival. Efforts will be made to find a contractor to make a concrete surface beneath the basket ball hoop. The fencing on either side of the children's playground will be looked at with a view to replacement.

6. Rota for Recreation Ground.

The Clerk will send out report sheets to councillor for completion for the month in which they are responsible for its inspection.
