

Meeting of the Publicity & Media Committee on 29th March 2006 in the Parish Room

Present: Cllrs Hart, Hildrew, Martin – Chairman and Page.

In attendance: The Clerk

1. The website

There was discussion about the possibility of finding a young person with an interest and enthusiasm who might be co-opted to the committee to look at the website with fresh eyes. This will be advertised in the parish magazine, via posters and in the next newsletter.

It was agreed

- a) to contact all local businesses to see if they have a website which could be linked with that of the parish.
- b) to have a News & Events page and to have bullet point 'latest news' on the front page to lead into the full article. New pictures will be put on there.

2. The newsletter

The newsletter has now been in existence for 7 years – something of a feat! It was agreed that revitalising was necessary. It was decided to look at new formats-

Cllrs Page and Martin will work on this with the material for the May newsletter.

The committee will then decide if any changes are to be made. With any new agreed format, the process of preparation will also be reviewed. The Clerk will look into the cost of the production of an extra 50 copies of the newsletter for distribution into the local shop and public houses.
