

My name is Carole Moody; I am 55 years old and moved to Knockholt from Blackfen with my husband John about three years ago because of our love of the countryside and walking. Family life is very important to us and we have a son, two daughters and a grandson.

I started work with Nat West Bank from school until I left to start a family. I now work part time as a qualified British Gymnastics coach and teach children of all ages and abilities. I also volunteer as an Assistant Beaver Scout leader with the 7<sup>th</sup> Sevenoaks Halstead Group.

I enjoy village life and regularly attend aerobics in the village hall. I also belong to the Women's Institute and am a keen member of the Village Tree Society, and thoroughly enjoy the working party sessions in Vavasseur's and Blueberry Woods.

I have only recently become a member of the Parish Council and hope that I can offer ideas and make a contribution to our village.
